DGropper@reesbroome.com

Dan's practice concentrates on trademark law, patent law, copyright law and licensing law. Working from the perspective of an accomplished software designer, a trained electrical engineer and an attorney, he assists RB's business clients with:

- Patent, trademark, copyright and licensing issues
- Acting as local counsel, including issues involving the Patent and Trademark Office
- Serving as Copyright Office liaison on a worldwide copyright basis

Professional Credentials

- Graduate, with honors, North Carolina State University
- Graduate, George Washington University Law School
- Barred in Virginia, the District of Columbia and before the patent bar
- Designer of emergency alert radios in use nationally
- Telecommunication Specialist for Federal Emergency Management Agency (FEMA)
- Member, Virginia Emergency Management Association
- Member, International Association of Emergency Managers
- Winner, Public Service Award from the Director of the National Weather Service (1993)
- Successful trademark expert in many federal trademark suits
